FULL-STACK DEVELOPER

@ Email : Johnreed19991218@outlook.com portfolio :

Location : Chicago Illinois, US

SUMMARY

As a seasoned full-stack developer who possesses various web backend & frontend languages/frameworks and blockchain technology with over 8 years of experience in various SDLC phases such as requirements gathering, analysis, design, implementation, maintenance of software applications and testing Client/Server and Web applications. Experience in developing web applications and blockchain apps with modern technologies and stacks.

In addition to my knowledge base, I actively seek out new technologies and stay up-to-date on industry trends and advancements. This has allowed me to stay ahead of the curve and deliver exceptional work to all of my employers, including those I've worked for on a project basis.

EXPERIENDE
